

Business Advisory Services

Here at Spire Group, PC, we advise managers, shareholders, and boards of directors on a wide range of issues affecting their company or organizations. Combining industry knowledge, rigorous analysis, and operating experience, we provide our clients with advice that is both innovative and insightful. Our services include:

- Internal control studies
- Performance benchmarking
- Financial forecasting
- Strategic planning
- Board and special committee advice

Mergers and Acquisitions

We provide a full range of merger and acquisition advisory services, with a focus on the sale of privately-held companies. Drawing on the collective strength of our transaction, accounting, and tax professionals, we are able to address the breadth of issues that arise in complex M&A transactions. Our services include:

- Deal structuring
- Valuation
- Negotiation assistance
- Due diligence
- Tax strategies

Financial Consulting

- Financial projections
- Valuation
- Capital sourcing
- Negotiation assistance

Nonprofit Consulting

- Investment strategy
- Policy development
- Capital campaign consulting
- Planned giving advice
- Tax structure planning
- Deferred compensation and employee benefit plan consulting
- Board development
