

Litigation Services

We understand that a lot is at stake during a legal battle or business dispute and you need the best possible strategies and solutions. The professionals within Spire Group's Litigation, Forensic and Bankruptcy Group work side by side with attorneys and their clients to solve your complex valuation, forensic and litigation needs. We offer specialized, investigative research and analytical skills, as well as financial, business and tax knowledge.

Our experts analyze financial records, prepare damages claims, critique opposition expert reports, assist with witness preparation and provide expert witness testimony. We also offer our clients skillful assistance in addressing and presenting complex business, financial, and accounting issues. From research and pre-litigation consulting to case strategy, our professionals provide confidential, quality advice and support.

You can count on us to help you build a solid case. We bring our expertise and experience from our offices to your courtroom.
